

# How do I sign in to my account?

## Uncategorized

You can access and control all your help centers from one place so there's no need to navigate to different URLs to administer each of your sites. Logging into your account happens from <https://helpcenter.io/app/signin>.

Building a knowledge base can substantially lower the number of repetitive customer support requests you are getting.

Just enter your email and password and you are ready to go, work and collaborate on any of your help centers (public or private).
