How much does HelpCenter.io cost?

Why HelpCenter.io

Plans start at $29/month per help center (Bootstrap, billed yearly). You pay per help center, not per agent.

- **Bootstrap:** $29/month billed yearly, or $39 month to month.
- **Growth:** $119/month billed yearly, or $149 month to month.
- **Catalyst:** $179/month billed yearly, or $199 month to month.

AI Answers is included on Catalyst, and costs $29/month ($24/month billed yearly) as an add-on on Bootstrap and Growth. Every plan starts with a 14-day free trial, no credit card needed. Prices are in US dollars, and EU customers may pay VAT.

See Plans and pricing for what each plan includes, or the pricing page for current prices.
